

SOCK KITTEN ADOPTION CERTIFICATE

When alpaca socks don't turn out quite right- A hole, a slip, or a fit too tight-
They skip the sock drawer, and change their fate,
And find a new life that's just great!

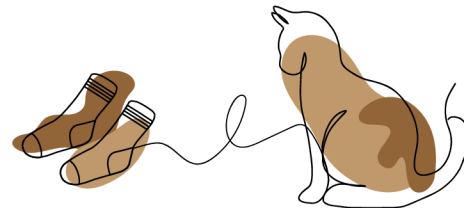

No longer made to warm your toes, they're hand-stitched with love as
Everyone knows.
Each kitten's filled with cozy bits, from yarny scraps to fabric knits.

So give a squeeze, they're brave and true-
A cuddly soul, recycled just for you!
