

SOCK BUNNY ADOPTION CERTIFICATE

When alpaca socks don't turn out quite right- A hole, a slip, or a fit too tight-
They hop from the sock drawer, and change their fate,
And find a new life that's just great!

No longer made to warm your toes, they're hand-stitched with love as
Everyone knows.

Each bunny's filled with cozy bits, from yarny scraps to fabric knits.
With floppy ears and a twitchy nose,
A soft little friend wherever it goes!

So give a squeeze, sweet and true-
A hoppy new pal, recycled just for you!
